AWARDS and HONOURS

Elected Vice President of CIBSE (May 2007 -2009) NOTE

Chairman, Rumford Club, (October 2008 - 2009)

President of National Conference of University Professors (2005- 2008);

Appointed Member of Taiwan Government Science and Technology Advisory Group (2005 - 2007)

Commissioner for Ministry of Construction, Beijing (2003- 2005) and Member of Editorial Board for Proceedings for Conferences in March 2005, 2006--2009

Awarded Silver Medal by Chartered Institution of Building Services Engineers, May 2005.

Appointed UK Ambassador for Clima 2000, 7th World Congress in Naples, September 2001.

Appointed Honorary President of *Intelligent Building Systems Congress*, at Cracow University, April 9-10, 2001, May 13-14, 2002, May 20-21, 2004, June 1-2 2006, June 2008, October 2009.

Awarded Lifetime Membership of the International Academy of Indoor Air Sciences in 2000.

Awarded Fellowship of the American Society of Heating, Refrigeration and Airconditioning Engineers in 1997.

Granted Freedom of the City of London 1996. Liveryman with Worshipful Company of Musicians

Ove Arup Partnership Award for contribution to the development of the Building Services Engineering Design and Management undergraduate course concerning creativity for the Built Environment (£4,500) 6 December 1993.

Northcroft Silver medallist of the Institute of Hospital Engineering (1990).

Bronze medallist of the Chartered Institution of Building Services Engineers (1970).

Present Appointments

Editor/Founder of *International Intelligent Buildings Journal* (James & James 2006 -).

Appointed Honorary Visiting Professor, AGH University of Science and Technology, Faculty of Management, Poland, (2007)

Director of Intelligent Buildings Research Group (2005 -)

Emeritus Professor (2008-), Professor of Construction Engineering, Department of Construction Management & Engineering, University of Reading (1988- 2008) and Director of Research (2002- 2007)

Appointed Honorary Visiting Professor at Xian University of Architecture and Technology (2007-)

Appointed Honorary Professor at Polytechnic University Hong Kong (2006-2010)

Appointed Honorary Visiting Professor at Shenyang Ligong University, China in 2002.

Appointed Honorary Visiting Professor at Shenyang Jianzhu University, China in 2002.

Appointed Honorary Visiting Professor at Benxi University in 2002.

Appointed Honorary Visiting Professor at Tianjin University, China, in 2000.

Appointed Honorary Visiting Professor at Chongqing Jianzhu University, China in 1994.

Previous Employment

1978-88 Senior Lecturer/Reader, School of Architecture and Building Engineering, Bath University.

1967-78 Lecturer/Senior Lecturer, Department of Ergonomics and Cybernetics then Department of Civil Engineering, Loughborough University.

1966-67 Research Fellow, Institute of Sound and Vibration, Southampton University.

1955-66 Brightside Heating and Engineering Co Limited, Birmingham, Trainee Engineer (1955-60); Research and Development Officer (1960-66).

MANAGEMENT

Director of Intelligent Buildings Research Group (2005 -) and Research for School of

Construction Management and Engineering (2002- 2007). Since 1988. I have raised over £3.0m from industry, Government and EC for research and education initiatives (over £176,000 per year). The management of the resources (staff and equipment) and financial control of this money given in covenants from industry, grants from Government and the EU has been my responsibility.

Director and Founder of IGDS *MSc Course in Intelligent Buildings* funded by EPSRC in 1997 for 5 years.

Other management responsibilities include CIBSE Natural Ventilation Group; CIBSE Whole Life Performance Task Group; CIBSE Intelligent Buildings Group. Past Chairman of CIBSE Education and Learning Group; Management Board for European Intelligent Building Group; Electrobiocompatibility Association; Council of Professors of Building Engineering and Management (national body); founder of the Thames Valley Centre for the Built Environment in Construction now the South East Centre for the Built Environment. Participated in academic and financial planning of University via membership of Senate; Council; the Faculty Board and as Director of Research and member of Faculty of Sciences and Life Science Research Board.

Chair of Research Committee for School of Construction Management & Engineering (2002-2007).

Chairman and Director of Building Environmental Engineering Design and Management Undergraduate course (1988-2000).

Chairman of Board of Studies for Postgraduate Courses in Construction Management and Engineering (1994-2000).

Principal Investigator for several EPSRC / DTI Industry funded projects.

TEACHING

Planned and created new Undergraduate and Postgraduate courses in Building Environmental Engineering at Loughborough (1970) and Reading (1989); new MSc course on Intelligent Buildings (1997). Proposal for Engineering Doctorate submitted to Director of Teaching and Learning(D. Stirling) in March 2006 and approved by Senate in July 2006(with Professor Liu and Dr H Awbi).

Present work is concerned with improving the quality of innovative postgraduate courses (e.g. Intelligent Buildings and Construction Informatics); developing of research programmes especially with industry; pursuing discourse and exchange with research workers, teachers and industrialists across the disciplines of environmental engineering architecture, planning, building engineering and human studies in other countries as well as the UK; developing links with China.

RESEARCH GRANTS

Knowledge Transfer Partnership with Monodraught , Peltier solar catcher(2008—10)

Technology Strategy Board, 2007, *Spearhead: Space Management Model with FSI and others*, £1.5m (£200,000 to Reading)

EPSRC Environmental Design and Business Value Scoping Study approx £8000

EPSRC Identifying a good Briefing and Procurement Approach for Schools Project, H 30711 £47,661 (2005- 2006), £84,970 (2006-2009)

DTI Technology Programme, Co-ordinated Management of Intelligent Pervasive Spaces with Thales and School of Systems Engineering, £160,000 (2005-2007)

Knowledge Transfer Partnership, *Development of Software to Identify Whole Life Cost of Building Services* with Dytechna, £70,550, (2005-2007)

EPSRC Ventilation in Schools GR/T23626/01, £263,147 and Department for Education and Skills, £15,000 (2005-2008).

EPSRC System Integration for Building Services C785000, ICRC £105,538.50 (2004-2006).

EPSRC Sustainable Urban Environment Grant GR/T 04878/01 *Innovative Design and Construction for People* with Imperial College, Universities of Southampton and Greenwich £399,922 (£1.7m total) (2004-2008).

Teaching Company Scheme (from 2003 Knowledge Transfer Partnership) with Caice Airmovement Ltd., TCS Programme 3984 on *Acoustics* (attenuator & fan testing) awarded 2002 for start in March 2003 £133,988 (includes £41,447 from Caice Ltd.) (2003-2005) subsequently a restart programme £97,000 until 2007.

EPSRC Grant GR/R64827/01 *Reliability in Building Services* £134,296 plus £134,296 from industry absorbed into Innovative Management Research Centre (IMRC) sponsored by EPSRC 2002 onwards. A further £144,000 ear marked from IMRC for research projects in related areas (2003-2006).

EPSRC Grant GR/N 33478/01 (2001-2004) *Integrated Logistic Support Analysis for Building Services* £249,367 EPSRC plus direct contributions from industry £369,000 (minimum) (2000-2003).

Effects of Environment on Productivity, May 1997, £20,000 for research Fellowship, Industrial sponsors - Clearvision, Optimum Workplace Environments, Canary Wharf Management Jardinerié.

EPSRC Contract 00487ENG96 Integrated Graduate Development Scheme *MSc Intelligent Buildings: Design, Construction and Management* October 1996 to September 2001, £470,500.

Centre for the Built Environment in Construction Continuing Vocational Education Funding from HEFCE £20,000; Thames Valley Enterprise Plc £18,500; National Contractors Group £5,000; start date May 1996 (now South East Centre for the Built Environment).

EPSRC Contract 00700 EBG95 *Intelligent Buildings*, £12,000. (1996 -); MSc level short course ran September 23 - 27, 1996.

Teaching Company Scheme SERC/Dytecna/University of Reading Department of Construction Management & Engineering, Grant £57,086, GR/J59589 (1994-96) on ***Integrated Logistic Support Systems for Construction***.

Teaching Company Scheme SERC/Dytecna/University of Reading Department of Engineering and Department of Construction Management & Engineering, Grant £56,187, GR/J58367 (1993-95) on **Electromagnetic Compatibility**.

National Contractors' Group, **Education & Training for Construction Industry** (1990).

University of Reading Grant £20,000 on **Microwave Heating** (1990-94).

EC **Technology** Report £3,000 (1992-93).

SERC/University of Reading Grant £110,000 for **Thermal Comfort and Air Quality** (1990-94).

DOE/University of Reading £71,000 for work on **Passive Building Intelligence** (1994-97).

British Council Grant - Treaty of Windsor - of £2,000 with the University of Porto, Portugal on **Thermal Comfort**. (1993-4).

Grant of £21,000 with BICC/University of Reading for work on **Personal Ventilation Systems** (1993-6).

EC Tempus Grant £10,000 with Technical University of Budapest (1991-92).

Natural Ventilation and Energy Conservation financed as a PhD by the Malaysian Government, (1987-91) with Zainal Yusof.

Performance and design of Industrial Radiant Heating Systems Science and Engineering Research Council Collaborative Award with Grayhill Blackheat Limited £111,912 from SERC and £40,635 from Grayhill Blackheat, June 1986 until 1990. Grant numbers GRD 71320 and GR/F/41112 (£19,171).

Personal Environmental Control Systems with industrial collaboration (1990-94) (financed by University of Reading, £100,000).

Ventilation Characteristics of Buildings, SERC Grant No. GR/F/93340 (1990-93) £49,242.

Methods of designing for air movement with Zhao-Xi Lin, Visiting Scholar, financed by the Peoples Republic of China (1984-86) and continued by Dr G Gan, 1990 onwards (financed by University of Reading).

GEM Group of eight Contractors funding £350,000 for **Building Services Engineering and Management** 1989-93, and £160,000 for 1992-94; HEFCE funding of £180,000 for 1992-95; IEL, Atlantic Boilers funded £24,000 (1989-92); Arups £3,000 (1993-97); Bank of Mauritius £16,500 (1993-96).

SERC Grant (£95,000) GR/A/86474 on **Environmental Characteristics of Lightweight Structures** (1982-85).

RESEARCH INTERESTS

* Intelligent Buildings * Health, Productivity and Well-Being * Occupancy Behaviour * Whole Life Performance and Value * Sustainable architecture * Education for Building Services Engineers and the Construction Industry * The Origins of Maintenance * Briefing Process
* Electromagnetic Fields and Health * Are There Lessons from Chaos Theory for the Construction Industry * Low energy buildings.

DESIGN CONSULTANCY

Contributed to design of:

Independent External Assessor on Fresh Air Supply to Beaufort House (1992-1993).

Honorary Adviser for the Ruskin Library, Lancaster University (1991) and also to the Yehudi Menuhin School, Stoke D'Aberon, Surrey (1991-99).

Membership of Advisory Team on several projects including: Restoration of Victoria and Albert Museum; Environmental Engineering Brief for new National Gallery; CIBSE Headquarters New Council Chamber at Balham (Acoustics) (1984).

Basildon New Town development; Internationale Bausausstellung Berlin with Frei Otto (Ecohouses) 1986; DoE Solar Energy Project; Canadian Township (1981).

Museum of Amman with Michael Brawne; Worcester College, Oxford with Richard MacCormac (1980-81). (The International Journal of Museum Management and Curatorship, Vol 2 No 3, September 1983, p257-265).

MEMBERSHIP OF COMMITTEES

Present:

Member of *REHVA Education Committee* (2008-)

Member of *Built Environment College for Engineering and Physical Sciences Research Council* (1995 onwards and re-elected 2005) also served on *Materials Panel*.

Member of *Economics and Social Research Council Panel* on New Dynamics of Ageing

(2006-)

Member of the *International Scientific Committee* for the 8th International HVAC Symposium, Istanbul, May 8th-12th 2008.

Member of the *International Scientific Committee (ISC)* of the first International Conference on Building Energy and Environment (COBEE) Dalian, China. (2008)

Member of *Society of Façade Engineering* (2007-)

Chairman and Founder of *CIBSE Intelligent Buildings Group* (2006 -)

Appointed Member of Executive Board for *British Council of Offices* (2005 - 2011)

Chairman of Federation of European Heating and Airconditioning Association (REHVA) Task Force 10, *Improving the Reliability and Value of Building Services* (2004- 07)

Member of Council of *National Conference of University Professors* (2003-); elected Vice President for NCUP from 2005; President (2006-2008)

Member of Council for *Building Services Research and Information Association* (1995 -1999), (2004-2007).

Member of Executive Committee for *European Intelligent Building Group* (1996-) now Intelligent Building Group and elected Deputy Chairman (2001-2002,2003-2004) and Chairman (2002 - 2003); member of Colloquium (2003-).

Member of Management Committee for *South East (formerly Thames Valley) Centre for the Built Environment in Construction* (1996- 2005). Founder and former Chairman. Now South East Centre for the Built Environment (SECBE).

Member of *Parliamentary Group for Engineering Development* (1995 -).

Member of *British Standards Institution Committees RHE/2 and 23* also *Indoor Climate* (1994- 2002)

Chairman of *CIBSE Whole Life Performance* Task Group, (2003-)

Chairman of *Natural Ventilation Group for the Chartered Institution of Building Services Engineers* (1993-) and *Project Task Group for Natural Ventilation Design Applications Manual. AM 10* (See Publications)

Chairman of Intelligent Buildings Group CIBSE 2007--

Past

Chairman of *Electromagneticbiocompatibility Association (EMBA)*, (2002- 2004).

Member of *Berkshire Construction Best Practice Club Committee* (2001-2003)

Chairman of *Further and Higher Education Task Group for Sir Paul Judge* (2002- 2003).

Chairman of *Education & Learning Group for CIBSE* (1998-2003)

Member of Advisory Board for *Building Research and Information*, International Journal of Research, Development and Demonstration (1994 - 2002).

Advisor to *Workplace Comfort Forum* (1995 -1998) and Chairman of *International Conference* on Creating the Productive Workplace, London, October 29-30, 1997.

Member of *Construction Industry Council Panel* on Energy Efficient Design of Buildings (1995 - 97)

Chairman Council of *Professors of Building Engineering & Management* (1994 - 96)

Chairman and Founder of the *Centre for the Built Environment in Construction Management Group* (1992-96).

Member of the *Chartered Institute of Building Tripartite Committee* (1992- 96).

Chairman Council of *Professors of Building Engineering and Management* (1992 - 94)

Member of *Technical Committee for Clima 2000 World Congress*, London (1993).

Member of *Board of Assessors for the Building Services Research & Information Association* (1990-93).

Member of *CIBSE Membership Committee*, (1988-1992).

Member of *Built Environment Committee for the Council of National Academic Awards* (1985-91).

UK Representative for Second World Congress on Heating, Ventilation, Refrigeration and Airconditioning at Sarajevo, Yugoslavia, 28 August - 1 September 1989.

Member of *CIBSE CPD Sub-Committee*, (1988-1992).

Member of *Organising Committee for CIB World Congress 1986* on Computer Applications in Building Environmental Engineering held in Bath.

Chairman of *CIBSE SW Region* 1981; *Energy Convenor and Chairman of Education & Training Panel*.

Member of *CIBSE Technology Board*, (1980-84)

Member of *CIBSE Council*, (pre 1985)

BSI Housing Energy Code Committee Member.

INTERNATIONAL WORK

Member of *Strategy Review Board on Science and Technology for* Taiwan Government (2005- 2006)

Member of *Memoranda of Understanding* concerning courses and research in Intelligent Buildings arranged with Temasek and Shenyang Ligong University (2004) and Xian and Jilin Universities (2007) in China

Member of Technical Planning Committee for *Ministry of Construction* in Beijing (2003-2006).

Visiting Professorships at Tianjin (2000), Chongqing Jianzhu (1995), Shenyang Jianzhu (2002), Shenyang Ligong, Benxi Universities (2002) and Xian University of Architecture and Technology (2007) in China.

CIB Coordinator for WO98 Intelligent and Responsive Buildings (Int. Council for Research and Innovation in Building & Construction), (2001-).

Participation in CIB Working Commission(s) and/or Task Group(s):

W098	Coordinator	Intelligent and Responsive Buildings
TG34	Member	Regeneration of the Built Environment
TG38	Member	Urban Sustainability
TG49	Member	Architectural Engineering
TG55	Member	Smart and Sustainable Built Environments
WO51	Member	Acoustics
W067	Member	Energy Conservation in the Built Environment
W077	Member	Indoor Climate

Member of ISIAQ Task Force on *Effects of Indoor Environment on Productivity*.

Member of *Healthy and Productive Workplaces* Domain of Sustainable Construction of Built Environments (ScooBE) EU Thematic Network CIB (2001).

Appointed English Editor for CEN European Standard on Indoor Climate at meeting of TC156 Working Group 6 held at the Technical University, Lyngby, Copenhagen on 18-19 March 1991; at the Austrian Standards Institute, Vienna, on 9-10 April 1992; at the Technical University of Trondheim, March 1993; DoE London, November 1993; Danish Standards Institution Copenhagen, March 1997.

Appointed to the Technical Committee 2.1: Physiology and Human Environment for the American Society of Heating, Refrigerating and Airconditioning Engineers (1993-) Atlanta

Georgia, USA.

Negotiated students (Part III Building Services Engineering Design & Management) six week work period in Italy 5-9 April 1993 with:

Milanotermica S.p.A
Ditta Filippo Rolla & C. S.a.s.
Intertecno S.p.A.
Sgarbi Impianti S.r.l., ISIR S.p.A.

Independent referee with co-referee is Kurt Masur, conductor of the Leipzig Gewandhaus Orchestra for Fellowship of Engineering, MacRobert Award 1992: topic was New Symphony Hall in Birmingham appointed by Arups.

Presented a lecture on '**Innovation in Building Technology**' in the Department of Architecture at the University of Florence on 1 March 1991, also held informal seminar with six doctoral students.

Negotiated students (Part III Building Services Engineering Design & Management) six week work period in France and Germany. Arrangements made in Paris 30 May - 4 June 1991 with:

CEGELEC
Spie Batignolles, Division Electricite et Nucleaire
CGC Enterprise
Sulzer
Herve Thermique
International Interface High Technology;

in Betzdorf and Kassel 9-12 June 1991 with:

Heinrich Nickel GmbH
Rudolf Otto Meyer
Kassel University, Entec

via Dr R Risso of the Associazione degli Industriali della Provincia di Genova. Siemens and Schindlers Lifts also take BSEDM students in Germany, France and Italy as from 1995.

Invited guest of All- Union Association of Engineers for Heating, Ventilation, Airconditioning, Heat Supply and Building Thermal Physics (ABOK) in St Petersburg, 24-29 August 1991.

International Scientific Advisor for Conferences:

International Sustainable Buildings Symposium, Gazi University, Ankara, April, 2010
8th International HVAC Symposium, Clima, Istanbul, 2010
7th International Conference on Tall Buildings, 28-30 Oct 2009, Beijing
Healthy Buildings, Syracuse, September, 13-17, 2009
14th Building Services and Building Industry Days, University of Debrecen and HAS Regional Committee of Debrecen, Hungary, 30-31 Oct 2008 and 2009

COBEE 2008, July 14-16, Dalian , China
WORKAIR2007 - May 29-31, 2007, Helsinki, Finland
Clima 2007 June, Helsinki;
Healthy Buildings, Lisbon, 2006 June;
International Conference on Asia-European Sustainable Urban Development, April 4-6 2006, Chongqing University, China
Bologna-Delft Seminar (University of Delft) November 28 2005;
Indoor Air Conference, Beijing, September 4-9 2005;
CISBAT Conference, Lausanne, September 28 2005;
REHVA Workshop, Lausanne, Clima October 10 2005;
ISIAQ Conference Beijing 2005 and 2006;
 Invited member of Technical Committee for *International Intelligent and Green Building Technologies and Products Conference and Expo* March 2005 by Ministry of Construction in Beijing and re-elected for March 2006 conference.
 Chairman of *CIB World Congress W098 meeting* in Toronto May 4-7, 2004 and International Organising Committee;
 Honorary President of *Intelligent Buildings Conference* at Krakow University of Technology May 20-21, 2004;
International Conference on Smart and Sustainable Built Environment, Brisbane, 19-21 November, 2003;
International Conference on Healthy Buildings, Singapore December 2003;
Frigair Conference in Johannesburg 2002;
 UK Ambassador for *Clima 2000* Conference in Naples, September 2001;
 Honorary President of *Intelligent Building Systems Conference*, at Krakow University of Technology, April 9-10, 2001 and May 13th 2002;
Airconditioning for High Rise Buildings, Shanghai, October 23-27, 2000;
CSTC Technology Watch & Innovation in Construction, Brussels, April 5-6, 2000;
Realising the Benefit at BRE October, 1998; CIB Working Commission W098 International Conference, *Intelligent & Responsive Buildings*, March 28-30, 1999, Bruges;
 EIBG International Conference *Intelligent Buildings*;
Energy and Mass Flow in the Life Cycle of Building's CIB W67, Vienna August 1996;
International Ondol Conference, July 1996, Seoul, Korea;
Indoor Air '93, Helsinki; *Healthy Buildings '94*, Budapest; *HVAC '95*, Beijing;
