

Keynote Addresses

- 22 October 2009 *Challenges and Opportunities for Intelligent Buildings in the 21st Century*, INBUS 2009, Krakow.
- 22 October 2009 *Sustainable Intelligent Cities*, International Livable City and Eco-architecture Technology Seminar, Chongqing, Science and Technology Commission.
- 18 September 2009 *Intelligent Facades*, International Vacuum Insulation Symposium, Royal Institution, London
- 19 February 2009 *Challenges and Opportunities for Intelligent Buildings in the 21st Century: an Eco-Perspective*, CIBSE Intelligent Buildings Group, Intelligent Buildings Conference, The Royal Statistical Society, London
- 9 February 2009 *Defining Intelligent School Buildings* Symposium: A Roadmap to Zero Carbon School Buildings, University College London IBPSA-England CIBSE Schools Group
- 11 December 2008, *Sensors*, BSJ, Delivering Sustainable Public Buildings Conference, Royal Statistical Society, London
- 6 December 2008, *Challenges and Opportunities for Intelligent Buildings in the 21st Century* Dundee University.
- 2 December 2008, IB Day at CIBSE, Strand
- 30 September 2008, *Intelligent Building – An Overview*, High Performance of Intelligent Buildings in Universities and Colleges, Kings College, London
- 26 November 2008 *Facades as Climatic Moderators for Occupants: Pushing the Building Envelope* Institution of Mechanical Engineers, London..
- 25 November 2008 *Whole-life Performance to Relate Buildings, Systems and People* at Whole-life Performance Seminar, CIBSE, Euston Road, London
- 4 November 2008 *Challenges and Opportunities for Intelligent Buildings in the 21st Century*, at Sustainable Buildings Conference, America Square Centre, London.
- 28 October 2008 *Intelligent Buildings as a Multi-Sensory Experience*, for CIBSE IB Group, RIBA. London

- 20 October 2008 ***Impact of Airconditioning on Health Well-Being and Productivity***, Institute of Refrigeration and CIBSE, London.
- 30th September 2008 Intelligent Buildings, Kings College,
- 24 September 2008 ***Challenges and Opportunities for Intelligent Buildings in the 21st Century***, CIBSE, Leeds
- 2-5 June 2008 Lectures on ***Intelligent Buildings*** at AGU University of Social and Technology, Institute of Management. Krakow
- 24 March -25 April 2008, CIBSE Keynote Lecture tour of Perth, Adelaide, Canberra, Wollongong, Sydney, Melbourne, Brisbane, Christchurch, Wellington, Auckland including industry and the Universities. Lectures were:
- Challenges and Opportunities for Green Intelligent Buildings in the 21st Century.
 - Sustainable Building Solutions: a review of Architecture Biomimetics and Lessons from the Natural World
 - Creating the Productive Workplace
- 17-20 February 2008 Lectures on ***Intelligent Architecture*** at Al- Kalamour University and Al Baath University, Department of Architecture, Syria.
- 17 September 2007 ***Challenges and Opportunities for Intelligent Buildings in the 21st Century***, Hong Kong Polytechnic University.
- 13 September 2007 ***Challenges and Opportunities for Intelligent Buildings in the 21st Century***, Xian University of Architecture and Engineering, China.
- 6 September 2007 ***Environment and the Productive Workplace***, Jilin University College of Construction Engineering. Changchun, China
- 5 September 2007 ***Challenges and Opportunities for Intelligent Buildings in the 21st Century***, Jilin University College of Construction Engineering. Changchun, China
- 8 May 2007, ***Mobilising the New Environmentalists: Sustainable Skills***, Atelier Ten, London
- 2 May 2007, ***Intelligent Buildings Futures*** at RIBA Futures Fair
- 29-31 May 2007, ***Work Performance and Productivity and Indoor Air***, International Conference Health Air Better Work, Finland Institute of Occupational Health,
- 20-21 May 2007, ***Challenges and Opportunities for Intelligent Buildings in the 21st Century***, Gulf International, Kuwait
- 22-23 April 2007, ***Challenges and Opportunities for Intelligent Buildings in the 21st Century***, Riyadh at Noortech Seminar and College of Architecture and Planning at King Saud University
- 22-23 February, ***Challenges and Opportunities for Intelligent Buildings in the 21st Century***,

Pécs,

Hungary,

- 6-8 December 2006 ***Challenges and Opportunities for Intelligent Buildings in the 21st Century***, 37th Congress on HVAC&R, Belgrade, Yugoslavia,
- 23-26 September 2006, ***Challenges and Opportunities for Intelligent Buildings in the 21st Century***, International Conference XICAT, Architecture in Harmony at Xian University of Architecture & Technology, September 23-26, China
- 10-11 September 2006 ***Intelligent Sustainable Buildings Improve Business Value***, GCC Intelligent Building Management Forum, Dubai.
- 14-18 August 2006 ***Green Intelligent Buildings to Meet Sustainability Agenda & Challenges and Opportunities for Intelligent Buildings in the 21st Century***, Taiwan Government Strategy, Technology Advisory Group, Taipei.
- 1 June 2006 **Honorary Presidential Address *Green Intelligent Buildings to Meet Sustainability Agenda***, for 4th International Conference on Intelligent Buildings, Krakow, June 1st
- 4-6 April 2006 **Keynote Address (Lecture & Paper) *Green Intelligent Buildings: An Energy Focus***, The International Conference on Asia-European Sustainable Urban Development, Chongqing, China
- 30 March 2006 **Keynote Lecture, *World Development in Intelligent Buildings***, Harbin University of Technology.
- 28-29 March 2006 **Keynote Lecture, *Green Intelligent Buildings: An Energy Focus***, The Second Conference on Intelligent and Energy Efficient Building and New Technologies, Ministry of Construction, Beijing China
- 15 November 2005 **Invited Keynote Lectures, *Challenges and Opportunities for Building Services in the 21st Century***, Joint Symposium HKIE, ASHRAE, CIBSE New Challenges in Building Services Hong Kong also **Keynote Lecture** for CIBSE Hong Kong Region on Environment and the Productive Workplace.
- 18 November 2004 **Keynote Lecture, *Intelligent Buildings and Sustainability***, to Singapore British Business Council.
- 20 May 2004 Honorary President; **Invited Keynote Lecture on *Intelligence of Intelligent Buildings***, at INBUS 2004, Krakow.
- 11 March 2004 **Invited Keynote Lecture, *Environment and the Productive Workplace*** at Royal Academy of Engineering, CIBSE Natural Ventilation Group Celebration Seminar.
- 15-23 October 2003, **Invited Keynote Lecture on *Sustainable Cities and Intelligent Buildings*** at Universities in Beijing and Shenyang.

- 17 October 2002 **Invited Keynote Lecture, *Environment and the Productive Workplace***, Joint Seminar of Healthy Building and Tera Vera Technology Programmes, University of Helsinki, Otaniemi, Espoo, Finland.
- 19 September 2002 **Invited Keynote Lecture, *Environment and the Productive Workplace***, ASHRAE Region at Large Meeting, University of Reading.
- 8 September 2002 **Invited Keynote Lecture and Workshop, *Environment and the Productive Workplace***, ISIAQ Task Force on Effects of Indoor Environment on Productivity, Moltke's Palace, Copenhagen.
- 13, 14 May 2002 **Invited Keynote Lectures, *Intelligent Buildings and Sustainability***, International Conference on Intelligent Buildings, Krakow University of Technology (**President and Keynote Address**).
- 16 May 2002, ***Healthy Buildings, Invited Keynote Lecture***, at International Conference on Electromagnetic Environments and Health in Buildings at Royal College of Physicians, London.
- 20 June 2001, **Invited Keynote Lecture, *Creating the Productive Workplace***, Fraunhofer Office Innovation Centre, Stuttgart.
- 11-12 June 2001, **Invited Keynote Lecture, *Intelligent Buildings***, 5th International Conference for Ventilation for Automotive Industry, Stratford upon Avon,
- 8-10 March 2001, **Keynote Lecture, *Future Horizons in Construction***, Frigair 2000, in Johannesburg, South Africa.
- 29-30 October 1997, **Keynote Lecture, *What Do We Mean by Productivity?***, Workshop Comfort Forum Conference: ***Creating the Productive Workplace***, Westminster Central Hall, London, Conference organised by D.J. Clements-Croome, (Conference Chairman) with Workshop Comfort Forum.
- 25 September 1997, **Keynote Lecture** at HVAC '95 International Seminar at Tsinghua University on ***Future Horizons and Building Environmental Engineering***.
- 29 September 1996, **Keynote lecture, *Future Horizons in Building Environmental Engineering***, Proceedings of CIBSE National Conference, Harrogate, Volume 1, 1-11, (ISBN0900953756).
-

Derek J Clements-Croome,
 Professor of Architecture Engineering
 University of Reading
 August 2008
